TAILOR-MADE AFRICAN ADVENTURES

Day 01: Tarangire National Park

3 Nights (Full board) Permanent Tented Camp

Today your guide picks you up at the airport for the drive to Tarangire National Park – a spectacular combination of elephants, baobabs and tawny bush country. You'll have 2 full days exploring the park and getting your eye in – learning how to spot.

Day 04: Ngorongoro Crater

2 Nights (Full board) Lodge

Today, you head out of Tarangire and drive across the Great Rift Valley, leaving behind the dry country and climbing up to the forested rim of Ngorongoro Crater to your lodge for the next 2 nights. Next day: early start to explore the Crater. The Crater is a photographer's paradise with the brooding backdrop of the Crater wall and game that is accustomed to vehicles.

Day 06: Central Serengeti

1 Nights (Full board) Permanent Tented Camp

Head down from the Highlands and cross the vast grasslands of the Serengeti Plain. Your camp for the night is nestled among acacia trees not far from the plain. This part of the park is home to many species of cat.

Day 07: Northern Serengeti

3 Nights (Full board) Seasonal Tented Camp

Today's drive is one of huge contrasts, kicking off in dry bush country, taking you past long low hills of quartz to the rolling, kopje-studded landscapes of the North. Zen-like patience might be rewarded by the drama and chaos of a river crossing. The Wildebeest Migration is in town along with plenty of cats, hippos, zebras and a host of antelope.

Day 10: Back Home

Exit

This morning it's time to say goodbye and catch your flight back to Kilimanjaro International Airport in time for your flight back home.
