TAILOR-MADE AFRICAN ADVENTURES

Day 01: Bwindi Impenetrable Forest

3 Nights (Full board) Lodge

Leave from your hotel in the morning and catch the Scheduled flight to Kisoro and you are in the forest. Drive up to your Lodge, which is on a ridge looking down over the Great Rift Valley with fabulous views, monkeys and birdsong. Take a bird walk in the afternoon.

Day 02-3: Gorilla Trekking

Morning of day 2 and day 3

Your Gorilla Treks will start early in the morning, and you will need to be moderately fit to cope with the slopes. There are two Gorilla Groups within reach of the lodge and you may visit both, depending on permit availability. (There is a transfer vehicle charge payable direct for the second group.) Spending an hour in the presence of these magnificent, endangered Great Apes is a huge privilege.

Day 04: Murchison Falls and The River Nile

3 Nights (Full board) Permanent Camp

Today, you fly, via Entebbe, and on to Murchison Falls and a lovely camp on the banks of the River Nile facing the park.

Day 05 and 06: In a boat, on foot, in the air.

2 Days of varied activities

Here, you can pick and choose what activities you do but we fully recommend a boat trip to catch the game and birds along the river to the Falls and then a hike up to the top of the Falls. Activities on offer include traditional game viewing from vehicles, sundowner boat cruise or a hot air balloon trip (cost not included). Or try your hand at fishing for Nile Perch (at a sup) – we wholeheartedly support tag-and-release.

Day 07: Head for home.

Today you head back to Entebbe for the final part of your safari. Depending on your international flight plan, we can assist with organising an overnight in town with transfers to the international airport.
